

NARROW GAUGE RAILWAY SOCIETY - LIBRARY & ARCHIVE

LOCATED AT MOSELEY RAILWAY TRUST PREMISES AT APEDALE, NEWCASTLE-UNDER-LYME, STAFFS.

Requests for the loan of books, periodicals and files should be made to the Librarian, Chris Walker, either by post to:-

Corner Cottage,
Church Lane,
Standon Bowers,
Stafford ST21 6RW

or by email to chriscwalker@hotmail.com .

Please return all items promptly as another member may be waiting to borrow them. When returning items, please include payment for the outward postage plus £! to cover the cost of packing each parcel. Please treat the Society property with great care - remember that much of it is difficult or impossible to replace.

Please note that some items have been scanned to C D. Please indicate when requesting loans from the library whether you are able to accept a CD: this is encouraged to prevent valuable files being entrusted to the creaky UK postal system.

We are always ready to receive any material of interest, whether by bequest, gift or purchase. Have you something of interest that could be useful to the Library? If the material you require is not in the Library, we can sometimes obtain it from elsewhere.
